Regal Carbide Dies Pvt. Ltd

<http://www.regalcarbidedies.com/>

We are one of the leading Manufacturer and Exporter comprehensive assortment of various types of Industrial Dies. Apart from this, we are engaged in manufacturing high quality Collets and Bushes.

About Us

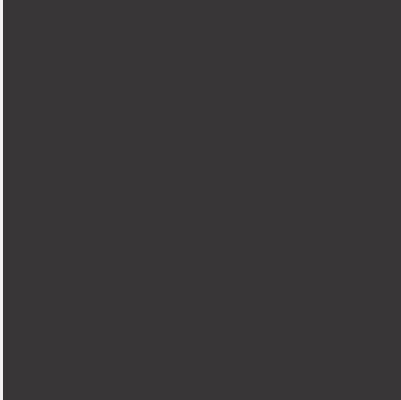

We, **Regal Carbide Dies pvt ltd**, marked our existence in **1987**, as the manufacturers and suppliers of a comprehensive variety of industrial dies. We are regarded for maintenance of quality standards. We are a team of expert professionals that strive hard to create a lasting impression on our clients. Our highly regarded products find application in a horde of industries. Through our focus on superior quality ,we have managed to forge a credible reputation in the market. Our comprehensive product portfolio includes tungsten carbide wire drawing dies, PCD wire drawing dies , tube drawing dies, bar drawing dies, T. C. section dies, wire dies, R8 collets, carbide bushes, sector shape compacting, extrusion dies and diamond dies.

We follow a standardized approach towards production. We handpick our raw materials cautiously only from those vendors who are experienced and enjoy a bankable reputation. We have effective quality control measures in place for every step of production. All our products have to be satisfactory on certain parameters so that they can qualify for sales. This unyielding dedication to quality has led us to become one of the most sought after manufacturers in the industry.

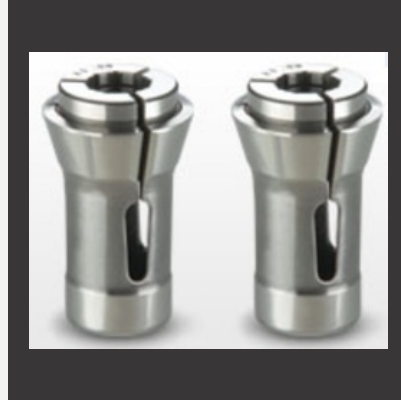

Under the valuable guidance of our mentor, '**Mr. Ankur Agarwal**', we have achieved new milestones of success in this domain. His constant motivation, vast industry experience and brilliant managerial skills have enabled us to gain an edge over...
